

Greenfield Institute of Technology

Student Handbook & Campus Knowledge Guide
Academic Year 2025-2026

This handbook is a reference guide for students, parents, and prospective applicants. It is used by the College Knowledge Assistant to answer questions about admissions, academics, fees, facilities, and campus life.

1. About the Institute

Greenfield Institute of Technology (GIT) is an autonomous engineering and management college established in 1998. The campus is located at 14 Knowledge Park Road, Pune, Maharashtra. GIT is accredited by NAAC with an 'A+' grade and is affiliated with the State Technical University. The institute offers undergraduate, postgraduate, and doctoral programs across engineering, computer applications, and management.

The institute operates on a 28-acre green campus with smart classrooms, research laboratories, a central library, sports facilities, and separate hostels for boys and girls. The current student strength is approximately 4,200, supported by 280 faculty members.

2. Admissions

2.1 Eligibility

For B.Tech programs, applicants must have passed Class 12 (10+2) with Physics, Chemistry, and Mathematics, securing at least 60% aggregate marks (50% for reserved categories). Admission is based on the state CET or JEE Main score. For the MBA program, a bachelor's degree with 50% marks and a valid CAT/MAT/CMAT score is required. For MCA, a bachelor's degree with Mathematics at 10+2 or graduation level is mandatory.

2.2 Application Process

- Register online at admissions.greenfield.edu and fill in the application form.
- Upload scanned mark sheets, entrance exam scorecard, photograph, and ID proof.
- Pay the non-refundable application fee of Rs. 1,200 online.
- Shortlisted candidates are called for centralized counseling and document verification.
- Confirm the seat by paying the first-semester fee within 7 days of allotment.

2.3 Important Dates

Applications open on 1 March 2025 and close on 15 June 2025. Counseling rounds are held between 1 July and 20 July 2025. Classes for the new academic year commence on 1 August 2025. Late applications may be considered against vacant seats until 31 July 2025 with an additional fee of Rs. 2,000.

3. Academic Programs

The institute offers the following programs and departments:

- B.Tech in Computer Science & Engineering (120 seats, 4 years).
- B.Tech in Information Technology (60 seats, 4 years).
- B.Tech in Electronics & Communication (60 seats, 4 years).
- B.Tech in Mechanical Engineering (60 seats, 4 years).
- B.Tech in Civil Engineering (60 seats, 4 years).
- Master of Computer Applications (MCA, 60 seats, 2 years).

- Master of Business Administration (MBA, 120 seats, 2 years).
- Ph.D. programs in Engineering and Management (research-based).

Each B.Tech program follows a credit-based semester system with eight semesters. Students must earn a minimum of 160 credits to graduate, including a final-year capstone project and a six-month industry internship in the eighth semester.

4. Examination and Grading

The academic performance of a student is evaluated through continuous internal assessment (40%) and end-semester examinations (60%). Internal assessment includes assignments, quizzes, mid-term tests, and laboratory work. The institute follows a 10-point grading scale.

- O (Outstanding) = 10 grade points, 90-100 marks.
- A+ (Excellent) = 9 grade points, 80-89 marks.
- A (Very Good) = 8 grade points, 70-79 marks.
- B+ (Good) = 7 grade points, 60-69 marks.
- B (Above Average) = 6 grade points, 50-59 marks.
- C (Average) = 5 grade points, 45-49 marks.
- P (Pass) = 4 grade points, 40-44 marks.
- F (Fail) = 0 grade points, below 40 marks.

A student must secure a minimum CGPA of 5.0 and clear all subjects to be eligible for the degree. The minimum attendance requirement to appear for end-semester examinations is 75%. Students who fail a subject may appear for the supplementary examination held within the same academic year.

5. Fee Structure

The annual tuition fee for B.Tech programs is Rs. 1,15,000. The MBA program fee is Rs. 1,40,000 per year, and the MCA program fee is Rs. 95,000 per year. A one-time admission and registration fee of Rs. 10,000 is charged in the first year. Examination fees of Rs. 3,000 per semester are payable separately.

Hostel charges, where applicable, are Rs. 75,000 per year, which includes accommodation and mess facilities. Fees can be paid online through the student portal or via demand draft. A late payment penalty of Rs. 100 per day applies after the due date. Fee refunds follow university norms and are processed within 30 working days of an approved withdrawal request.

6. Scholarships and Financial Aid

- Merit Scholarship: 100% tuition waiver for students ranking in the top 1% of the entrance exam.
- Academic Excellence Award: 25% tuition waiver for students maintaining a CGPA above 9.0.
- Need-Based Aid: partial fee concession for students with annual family income below Rs. 4,00,000.

- Government scholarships for SC/ST/OBC and EWS categories as per state guidelines.
- Sports Scholarship: up to 50% fee waiver for state- and national-level athletes.

Scholarship applications must be submitted to the financial aid office within 30 days of admission, along with supporting documents such as income certificates and mark sheets.

7. Central Library

The central library houses over 85,000 printed books, 12,000 e-books, and subscriptions to more than 300 national and international journals. It provides access to IEEE, ACM, Springer, and Elsevier digital databases. The library is open from 8:00 AM to 8:00 PM on weekdays and 9:00 AM to 5:00 PM on Saturdays.

Each undergraduate student may borrow up to four books for 14 days, while postgraduate students may borrow six books for 21 days. A fine of Rs. 5 per day is charged for overdue books. Reference books, journals, and rare materials are for in-library use only. Digital resources can be accessed remotely using the student login credentials.

8. Hostel and Accommodation

The campus has four hostel blocks: two for boys and two for girls, with a combined capacity of 1,600 students. Rooms are available on single, double, and triple sharing basis. Each block has Wi-Fi, a common room, laundry service, a reading room, and 24x7 security with CCTV surveillance.

The mess serves vegetarian and non-vegetarian meals on a weekly rotating menu. Hostel residents must follow the curfew timing of 10:00 PM. Visitors are allowed only in designated areas during visiting hours. Hostel allotment is done on a first-come, first-served basis, with priority given to students from outside the city.

9. Placements and Training

The Training and Placement Cell coordinates campus recruitment and skill-development activities. In the 2024-2025 placement season, 88% of eligible students were placed, with an average annual package of Rs. 6.5 lakh and the highest package reaching Rs. 28 lakh. Major recruiters include leading IT services, product, and consulting companies.

Students are eligible for placement drives from the seventh semester onward, provided they have no active backlogs and meet the minimum CGPA criterion of 6.5 set by most recruiters. The cell also organizes pre-placement training, aptitude workshops, mock interviews, and soft-skills sessions throughout the year.

10. Campus Facilities and Student Life

- Sports complex with cricket, football, basketball, tennis courts, and an indoor gymnasium.
- Medical center with a resident doctor and tie-up with a nearby multi-specialty hospital.
- Cafeteria, food court, and a stationery and book store on campus.

- Over 20 student clubs covering coding, robotics, music, drama, photography, and entrepreneurship.
- Annual technical festival 'TechNova' and cultural festival 'Rhythm' held every spring.
- Free shuttle bus service connecting the campus to major city locations.

11. Code of Conduct

All students are expected to maintain discipline and uphold the values of the institute. Ragging is strictly prohibited and is a punishable offense leading to expulsion. The use of mobile phones is not permitted during lectures and examinations. Students must carry their identity cards at all times within the campus. Any form of malpractice in examinations results in disciplinary action as per institute regulations.

12. Contact Information

- Admissions Office: admissions@greenfield.edu, phone +91-20-1234-5601.
- Examination Cell: exams@greenfield.edu, phone +91-20-1234-5602.
- Accounts and Fees: accounts@greenfield.edu, phone +91-20-1234-5603.
- Hostel Office: hostel@greenfield.edu, phone +91-20-1234-5604.
- Training & Placement Cell: placements@greenfield.edu, phone +91-20-1234-5605.
- Central Library: library@greenfield.edu, phone +91-20-1234-5606.
- General Helpdesk: help@greenfield.edu, phone +91-20-1234-5600.

Office hours are 9:00 AM to 5:00 PM, Monday to Saturday. The general helpdesk operates 24x7 for emergencies.
